

EXECUTIVE EDUCATION

BECOMING WHO YOU REALLY ARE

Dive deeply into areas of transformation that are most needed in your life, relationships, and your impact on others through a new approach to leadership development.

Take Your Career to New Heights with This Unique 100-Day Learning Journey

Investing 10 minutes daily in this self-guided online leadership journey elevates your performance. And, after 100 days, the habit of daily reflection continues your growth.

Now organizations can do leadership development in a fashion that is more effective, less expensive, and automatically gives rise to organizational improvement. This 100-day course will allow you to dive deeply into areas where transformation is most needed in your life, relationships, and your impact on others.

This online course includes five separate 4-week (20-day) chapters that collectively combine to create the complete 100-day online course experience. Individual chapters include:

- › Discovering your leadership.
- › Wielding transformative power.
- › Accelerating deep change.
- › Entering the fundamental state of leadership.
- › Leading without authority.

“ *The content is spot-on for our goal of positive leadership. It provides many different layers and approaches to teach the material. By making it a daily habit, it becomes a constant reminder of the type of leaders we aspire to be. The format is perfect for rolling it out at our organization. It is low cost. Multiple sessions allow us to send another batch of leaders through the training. It is remote learning which makes it accessible by all.* ”

Chester Kustarz
Duo Security

KEY BENEFITS

- › **Improve Your Organization's Leadership Development:** Become more effective, reduce costs, and automatically give rise to organizational improvement.
- › **Supplement Current Initiatives:** Reap individual and team benefits with the flexibility this extended application series offers.
- › **Evidence-Based Research:** Validated by real-world data and results.
- › **Experience Highly Personalized Learning Experiences:** Created by live, online events, based on your own data and assessment results. Ross faculty collate and analyze the coursework to create a personalized discussion at the end of each session.
- › **Learn Frameworks:** Taught and developed by our Michigan Ross faculty.
